

# Layers of the Atmosphere

Exosphere

A large, solid red circle that occupies most of the page, representing the Exosphere layer of the atmosphere. The circle is centered and has a uniform red color.

# Layers of the Atmosphere

Thermosphere

A large teal circle representing the Thermosphere layer of the atmosphere. The circle is centered on the page and occupies most of the vertical space. The word "Thermosphere" is written in black text at the top center of the circle.
